Luxury in all respects. The Westin Grand Hotel is located in the heart of the historic center of Berlin. The impressive building presents many elements of the historic Kaisergalerie which invited the noble community of Berlin to theatres, entertainment and sumptuous temptations in the 19th century.

Even today is the famous boulevard "Unter den Linden" at the corner of "Friedrichstrasse" the focus of numerous sights such as the Brandenburg Gate, Gendarmenmarkt, Museum Island or the Potsdamer Platz.
